

Welcome to Madrid

Inverfest is the name of the cycle of winter concerts that the Teatro Circo Price organises throughout January and February to see in the New Year. Following the success of previous editions, it is back from January to February 2024 with a line up of musical offering for all tastes at various venues around the city, with the main venue at Teatro Circo Price.

With the **Teatro Circo Price** as the main venue, Inverfest is the cycle which premières tours and albums that anticipate the 2024 musical scene. For four weeks, great groups will be performing on stage, ranging from cabaret, symphonic music, flamenco and absolute rock sounds.

Like in the last edition, it is committed to music for all ages with **Inverfest New Rockers**, a section within the festival devoted to the new generations of live music fans. This year, there will also be a special section for the reading of live poems under the name of **Inverso** and section **Satélites**.
