

Welcome to Madrid

Romeo Santos, considered to be the greatest reference of bachata worldwide, is coming to Madrid as part of his latest tour, *La Gira Fórmula VOL.3* with four concerts on 6, 7, 8 and 9 July at the WiZink Center. In this concert, the artist will perform all of his greatest hits and his new songs live.

Since his beginnings with the group, Aventura, to the present day as a soloist, the artist from New York has revolutionised the genre and has made a major contribution to Latin music. Born in the Bronx, he began his musical career with the bachata group, Aventura. The group was an absolute sensation and some of their songs went to the top of the Latin Billboard and European charts. His greatest hit, *Obsesión*, was number one in Italy for sixteen consecutive weeks, and was in the Top 10 of several countries over three months.

In 2011, the artist announced his departure from the group to embark on a solo career. His first singles as a soloist triumphed in the Latin market and his first studio album, *Fórmula Vol. 1*, obtained a Grammy nomination for the Best Tropical Latin Album. It can be highlighted that the singer-songwriter has accumulated more than five billion views of his videos, and he is considered to be one of the most successful Latin singers of today.

Following his latest visit to the WiZink Center in 2018, where the artist presented his album, *Golden* (2017), which was followed by *Utopía* released in 2019, Romeo Santos is back at the Madrid venue with *La Gira Fórmula VOL.3*. It is a tour in which his latest studio album, *Fórmula, vol. 3*, can be heard. It is the third part of the *Fórmula de Santos* trilogy. The album entered the Top 10 of the *Billboard* 200 chart in the United States and includes various appearances by international stars like Rosalía and Justin Timberlake. His five official singles are *Sus huellas*, *Sin fin*, *El pañuelo*, *Bebo* and *Me extraño*.
