

Welcome to Madrid

The Hyatt Regency Hesperia Madrid is an elegant, sophisticated city hotel on Paseo de la Castellana – a perfect choice for all kinds of tourists, business and leisure travellers alike.

The hotel has 169 guestrooms, 33 of them affording spectacular views of Paseo de la Castellana. In addition, the top-floor suites include garden terraces and private whirlpool tubs. They're all equipped with high-end furniture and state-of-the-art technology.

The hotel's interior décor makes reference to the city of Madrid: several sculptures inspired by Velázquez's Las Meninas and images of the city's skyline can be found in the public areas.

The hotel's restaurants cater to a wide range of culinary tastes. La Manzana serves the most traditional Mediterranean food, while Santceloni is a two Michelin-starred haute cuisine haven. In addition, at the lobby there's the Mery Bárbola bar, ideal for a drink or an informal meal at any time of day.
