

Welcome to Madrid

Hotel Emperador is a four-star hotel located in the heart of Gran Vía, surrounded by theatres, cinemas, shops, restaurants, discos and the major tourist sites in the capital.

Thus, it is an ideal option for visitors who wish to explore the city and enjoy its culture and entertainment offer. Likewise, it is a great choice for business travellers, since the hotel features several conference rooms, aside from Club Emperador, a luxury environment for business. One of the great attractions of this classic-style hotel is its Terrace, located on the tenth floor, where you can enjoy a large outdoor swimming pool in the summer months, a signature cocktail bar with acclimatised areas so that it is open all year round, and privileged views of the Madrid skyline. It also has a sauna and a gym.

The hotel lobby features a permanent exhibition area, opened in September 2017, known as the **Lobby Art Gallery**, where guests and members of the public alike can enjoy works of art by established and emerging artists from all kinds of disciplines while they sip their coffee, cocktail or soft drink, and listen to live music.
