

Welcome to Madrid

Hotel Iberostar Las Letras Gran Vía is one of the newest hotel offerings, perfectly combining tradition and innovation. The former comes with the building itself, built in the early 20th century and declared part of the Community Heritage. Particularly noteworthy are its mosaics, its marquises, staircases or original sculptures, along with the literary quotes decorating the walls. Its innovative side comes from its location, in the most cosmopolitan neighbourhood, the interior design by Virginia Figueras, the new technologies it features, the spa, the restaurant and the hotel's terrace.

This four-star hotel is ideal for visitors who keep up with the latest trends and who wish to experience life in the heart of the city, and everything that comes with staying on **Gran Vía**: bars, discos, shops, theatres, movie theatres, museums, tourist sites,... It is not in vain that this hotel offers a series of services in order to relax after a hectic day about town, such as its complete spa, its library or the cutting-edge TV sets and wifi equipment in the rooms. The restaurant and the terrace require their own exclusive mention. DL's Restaurant is one of the hotel's major initiatives, offering a seasonal author's cuisine. The terrace, Air Lounge, is a real treat for summer nights, a place where customers can enjoy an informal dinner or a drink with Madrid at their feet.
