

Welcome to Madrid

The Rosewood Villa Magna Hotel has been fully refurbished and is still the perfect place for those looking for the ideal location in the city centre. Its location allows you to explore the area on foot, including the elegant shopping district of Serrano, the city's most fashionable restaurants and bars, as well as cultural attractions, such as the prestigious museums on the Paseo del Arte - Art Walk.

Located in the sophisticated neighbourhood of Salamanca, its 154 spacious rooms and suites offer discreet elegance, a distinguished aesthetic, comfortable furniture, and premium quality linens and *amenities*. On the top floor of the hotel are its two most exclusive and spacious suites, with exceptional views of Madrid.

In terms of its gastronomy, it has a number of different restaurants and bars each with its own unique atmosphere for different times of day. These are: **Las Brasas de Castellana**, ideal for breakfast; **Tardeo**, a bar that invites you to relax with a drink, tapas, or an aperitif; **Amós Restaurante**, a place that achieves an exceptional synergy between quality ingredients from the ocean and land, transformed by the creative touch and contemporary vision of the three-starred Michelin chef Jesús Sánchez; and finally, **Flor y Nata**, an all-day coffee shop that turns your morning coffee, light lunch, or afternoon get-togethers into memorable gastronomic moments.

The many services offered by the Rosewood Villa Magna include an exceptional spa with premium quality facilities and services for both relaxation and fitness, as it has a complete gym with state-of-the-art equipment. In addition, it offers elegant indoor and outdoor areas for hosting events and meetings for between 10 and 500 people.
