

Welcome to Madrid

This modern luxury boutique hotel is located right in the heart of Madrid, very close to Gran Vía and Calle de Alcalá. Amongst its many charms it offers a spectacular terrace and penthouse where you can enjoy avant-garde gastronomy as well as classic cocktails.

The hotel has 76 elegant and spacious rooms with all mod cons. In the penthouse and on the terrace, both with large garden areas, you can enjoy a cocktail and dine a la carte from a menu designed by Ramón Freixa (2 Michelin stars) or sunbathe on the solarium, as you enjoy the sounds of its pool.

It also boasts a Wellbeing Area, where guests can relax and choose from a great selection of massages and with products from the exclusive Natura Bissé brand. On the second floor you'll find a fitness area equipped with the finest Technogym machines.
