

Welcome to Madrid

The hotel is located in a traditional 19th century Madrid building renovated by Aurelio Rubio, who respected its historic value during the refurbishment work to create a comfortable venue that has become a popular choice of accommodation in the city. It is located in the most cosmopolitan and elegant area of the capital, the noble Salamanca district, surrounded by the most exclusive shops and near the art triangle formed by the Prado, Thyssen and Reina Sofía museums.

The unique décor was created by Manolo Melón and his team from Aplomo. The result is a perfect combination of innovative design and sophisticated elegance that makes it a benchmark for exclusive hotels in Madrid. Each room presents a perfect combination of design and comfort. The hotel also offers 24-hour room service, individual air-conditioning/heating, a mini bar, direct phone line, safe for laptops, hairdryer, Hi-Fi, mp3 connection, DVD player and flat LCD screen, satellite and digital interactive television and free Wi-Fi. As you would expect in a hotel of this category, the restaurant serves excellent cuisine created by renowned chef Ramón Freixa, whose delights diners with his innovative creations and Mediterranean flair.
