

# Welcome to Madrid

The design of the hotel was inspired by Gran Vía. The street has an impressive history and has been the scene of many films, protests, songs, etc. The walls and rooms of the Indigo are intended to reflect this intense life. And this is the hotel's philosophy: live in, work in and enjoy the district in which it stands. Guests can enjoy the local flavour of nearby restaurants and the staff are always willing to offer suggestions about little-known attractions in the area.

The hotel has 85 rooms of three different sorts, spread over eleven floors: the Deluxe room, the Executive room and the Suite. All of the rooms feature individual thermostats, a 40" TV, invigorating rain showers, luxury bathroom suites and Wi-Fi, which is available throughout the hotel.

The hotel also has a Sky Lounge on the 12th floor, where you can enjoy a drink from the extensive cocktail menu or some tapas on the colourful summer terrace. In addition, there's an outdoor infinity pool with a glass wall where guests can take a dip in summer while looking out over Gran Vía.

In its restaurant, El Gato Canalla, you can enjoy typical Madrid dishes made with first-rate seasonal ingredients.
