

Welcome to Madrid

Situated in Villalbilla, around 15 kilometres from Alcalá de Henares, El Robledal Golf, officially opened in 1975, is an 18-hole par 72 golf course. The environment is one of the most privileged among the golf courses in the community of Madrid: more than 65 acres with multiple facilities, lakes and forests.

The Bestswing golf school, with professionals such as Luís Ivañez and Carlos Beesmans, is probably the best place to get started in the tricky game of golf. Through individual or group classes, you can quickly get your game up to par. There are also classes for children at the weekends. The range has 10 bays, as well as a putting green and a practice bunker.

In addition to these facilities, the club has a restaurant, changing rooms, a club room, golf cart and car rental service, and a proshop.
