

# Welcome to Madrid

Due to the road works currently affecting Calle Segovia and the difficulty accessing the store, Otero Ciclos is currently offering pre-booked appointments only. To book an appointment call (+ 34) 617 212 092 (Rodrigo Lorenzo) or e-mail [otero@otero Ciclos.es](mailto:otero@otero Ciclos.es)

**Founded in 1927 and located in the heart of Habsburg Madrid, this centenary bike shop, established by Enrique Otero from Madrid, led to the Otero brand, whose bicycles have been used by big names from Spanish cycling. Today, it offers a full bike purchase and repair service as well as all kinds of products related to cycling and cycle touring.**

At Otero, there are also bikes in perfect condition for rent. If you should have a break down, they have an immediate replacement service. They offer a wide range of sizes to suit your needs, both for men and women.

On the first floor of the shop, there is a museum with the brand's models of antique bicycles.
