

Welcome to Madrid

Inaugurated in 1972 and designed by Robert Dean Puttman, the Club de Golf Lomas-Bosque is easily accessible from the roads to La Coruña, Extremadura or Castilla. It boasts an 18 hole par 72 course as well as a smaller 9 hole par 3 course. The former offers an uneven terrain with tree-lined fairways in the first few holes, while the latter is flat, although it does have a large lake, which can often makes things a little tougher.

The course is an ongoing challenge, and players will find their golf skills are constantly being put to the test. The club has hosted numerous tournaments and competitions of different categories (women, men, seniors, children and juniors).

The Chalet Social was officially unveiled in December 1993, set in a stunning location on the course, with beautiful views over the fairways, the lake, and the Sierra de Guadarrama mountains in the background. It has a restaurant, lounge, bar, games room, T.V. lounge, private dining area, boardroom, gym, and changing rooms. There is also a swimming pool and children's play area.

In addition, the Club has a driving range where members can get their skills up to speed with the training of expert coaches.

They offer different prices for members and season ticket holders, guests and non-members.
