

# Welcome to Madrid

**Riding around one of the city's largest green spaces is possible thanks to Madrid City Council's free bike rental service. You can enjoy this ride for up to one hour, following an asphalted and well-signalled route which visits the main points of interest.**

All you need to take advantage of this service is to present your Identity Card (DNI) at the rental point located next to the car park and you will receive a personal electronic card enabling you to use the service, which is valid for one year. Different types of bicycles are available: for adults, children, tandem...etc.

There are three bike rental locations in the park: one at the entrance, on Vía Dublin, and two inside the park, on Avenida Manuel Azaña and Avenida de Logroño.
