

Welcome to Madrid

Branch of the popular chocolate shop in the Retiro district, whose star product is chocolate with churros, prepared using the products from the Valor chocolate firm in Alicante.

The establishment, decorated in a classic and simple style, has various marble tables and wooden chairs. It also has an area for the sale of chocolates and other chocolate products. It has a VIP area and Wi-Fi throughout the establishment.

The menu offers a wide range of chocolates, ice-creams, slushes and diverse cakes, as well as coffee, juices and milkshakes. It also offers a take away service for chocolate with churros.
