

# Welcome to Madrid

**This legendary venue in Madrid's underground scene, located in the Malasaña neighbourhood, is divided into two areas: a quieter area at the entrance where you can have a drink, and another, on the ground floor, with a cave-like aesthetic, with an atmosphere designed for dancing, enlivened by a good selection of music.**

They also have live music performances (Thursdays and Saturdays), whose programme is characterised by 100% risk-taking and innovation.
