

# Welcome to Madrid

**Branch of the popular chocolate shop in the Salamanca neighbourhood, whose star product is chocolate with churros, prepared using the products from the Valor chocolate firm in Alicante.**

The establishment, decorated in a classic and simple style, has various marble tables and wooden chairs, as well as an outdoor terrace. It has Wi-Fi throughout the establishment and a shop for the sale of chocolates and other chocolate products.

The menu offers a wide range of chocolates, ice-creams, slushes and diverse cakes, as well as coffee, juices and milkshakes and a full brunch with sweet and savoury options. It also offers a take away service for chocolate with churros.
