

Welcome to Madrid

Branch of the popular chocolate shop in the heart of Madrid, whose star product is chocolate with churros, prepared using the products from the Valor chocolate firm in Alicante.

The establishment, decorated in a classic and simple style, has various marble tables and wooden chairs, as well as an outdoor terrace. It has three floors, Wi-Fi throughout the establishment and an area for the sale of chocolates and other chocolate products.

The menu offers a wide range of chocolates, ice-creams, slushes and diverse cakes, as well as coffee, juices and milkshakes and a full brunch with sweet and savoury options. It also offers a take away service for chocolate with churros.
