

# Welcome to Madrid

Located in the establishment that used to be Sala But (previously Pachá disco), close to Tribunal metro station, this is a club and concert hall with excellent acoustics and visibility, with everything required to host musical performances.

The hall is divided into two floors and spans more than 3,000m<sup>2</sup>. Corporate events can also be held there.

La Paqui continues to offer the popular indie and pop session, **8 y Medio**, every Friday and Saturday, in addition to scheduling concerts during the week.
