

# Welcome to Madrid

A few years ago, Alaska established herself as the absolute muse of this magical spot, whose stage, bar and dance-floor have welcomed figures like Almodóvar, Miguel Bosé, Joaquín Sabina or the late Carlos Berlanga, amongst others. At present, under Juan Antonio Fernández's management, the space has been modernized to keep up with the times, yet maintaining its glamour.

With a modern look and a 70's feel, Morocco hosts record release parties, live music and all sorts of events and shows aside from its dance sessions. The music varies every night and they play a bit of everything: disco funk dance, rap, hip-hop, tecno house, R&B, soul and salsa.
