

Welcome to Madrid

With over 500 m2 distributed on two floors, The Irish Rover has positioned itself as one of the most spectacular Irish-themed premises in Madrid. It is open non-stop from 13 noon, where you can have a coffee, eat a dish from its extensive menu, have a drink, practice your English or watch a show or musical performance.

At the back there is a large screen where you can watch major sporting events. When you go up the stairs to the upper floor, you discover a totally different atmosphere, with a library, which invites you to sit on its armchairs enjoying a coffee or leafing through the newspaper of the day or playing one of the available board games.

At night, it has a varied agenda of shows, ranging from magic shows to concerts.

Also, on Monday evenings you can play trivial pursuits; on Tuesday evenings, there are English conversation groups; and on Sunday evenings, fun and educational workshops and activities for children.

The Irish Rover also has an outdoor terrace area, open all year round (heated in winter), a beer garden out the back, and a private area called The Balcony.
