

Welcome to Madrid

This is one of the best known clubs in the Malasaña district and is still the place to go to see both new and established groups play and enjoy dancing at the sessions organised each weekend. Siroco offers the warm feeling and intimate atmosphere of London clubs.

Siroco is divided into two spaces: on the ground floor is Siroco lounge, a space with a varied programme: exhibitions, showcases, acoustics, book presentations, live electronic music sessions, radio programmes; and on the ground floor, Siroco Club, which hosts all kinds of concerts and sessions of all kinds of music, performed by national and international artists.
