The venue is divided into five distinct areas: **Concert venue and dance floor**, famous on the indie circuit for its incredible acoustics; **The Bar**, an outdoor bar area that gives you a foretaste of this venue's personality through its eye-catching decor; **The Coffee area**, a traditional cafe with avant-garde touches here and there, and great music, with several tables and chairs; **The Chill Out area**, decorated in the style of an Arabic jaima, beneath a wooden ceiling, where you can enjoy a cocktail or share a Hookah pipe in a more intimate setting; and **The Red Room**, the heart and hub of the venue, which leads out onto the other areas. It hosts various exhibitions and is an ideal spot for sampling sessions and if you want to set up an alternative bar for cocktail tasting.
