

Welcome to Madrid

Maravillas Club is an emblematic room in the Malasaña district with more than 30 years of history. Since it reopened its doors as **Maravillas Club** (after its stage as Nasti), the hall has been characterized by its versatility and lack of prejudice.

Maravillas offers a regular programme of concerts (indie, pop, rock, jazz), as well as parties with some of the most outstanding djs of the Madrid club scene (Adrián LeFreak, Flechazo, Total, El Cuerpo del Disco, Digital 21, Tinglao, Remember, Ángel Pop Dj, Dj Lovers). We can also enjoy scenic arts, performance, monologues, thematic parties, poetry or book and fanzine presentations.

The venue has two performance spaces: **Artefacto**, dedicated to the performing arts, with micro-theatre, indie classics, premieres, debuts and theatre for children and teenagers; and **Stand The Pace**, with live music performances by indie rock and pop groups, and intimate concerts by soloist artists and duos.

In Maravillas Club, events related to feminist, queer, lesbian and gay culture have a prominent place (Tsunami Genderfluid, FuriaQueer, Be Fresh, Domingueras).
