

Welcome to Madrid

Madrid presents a new live music festival which will take place on 22 and 23 September at IFEMA MADRID. It is a space designed to break the norms of the genre through fantasy, music and fashion, with performances by more than thirty national and international artists of pop and techno hits, such as **Melanie C**, **Mika**, **Natasha Bedingfield** and **Belén Aguilera**.

This first edition of the festival has already confirmed the presence of renowned artists, such as the British singer and songwriter **Melanie C**, known for having been a member of the Spice Girls and later embarking on a solo career. The British-American singer and songwriter **Mika** is another of the big names at the festival. He is a reputed artist who has won the World Music Awards, Brit Awards and has been nominated for a Grammy.

The English pop singer nominated for a Grammy **Natasha Bedingfield** is back on stage. She rose to fame in the 2000s thanks to hits like *Unwritten* or *These Words*. The singer and songwriter from Catalonia, **Belén Aguilera** will not miss the event, presenting the songs on her latest album, *SUPERPOP*; as well as the singer, songwriter and musical producer **Vicco**; the influencer and DJ **Luc Loren**; and the influencer, humorist and presenter **Inés Hernand**.

The line-up is rounded off with performances by artists like **Samantha Hudson**, **Fusa Nocta**, **Ladilla Rusa**, **María Escarmiento**, **La Prohibida & Algora** and **Marta Sango**, among others.

The Brava Madrid festival will have three areas and stages: *HITS*, *POP* and *ELECTRONIC*, as well as *food trucks* and different spaces that will liven up the experience beyond music.

This event is not only focused on music. Attendees will be able to present their ground breaking looks in an atmosphere of freedom. Each edition will propose a *dress code* based on a theme that will be announced in advance.
