

# Welcome to Madrid

**The international magician of the celebrities Lucas Di Giacomo presents his much awaited family show, a surprising journey through magic to find the origin of dreams. It will be held from 23 March to 16 April, with performances from Thursday to Sunday at the Gran Cabaret Espacio Ibercaja Delicias.**

Produced by LETSGO, the great international magician Lucas di Giacomo will perform in Madrid for the first time, presenting a family and interactive show that combines the best mentalism acts, conjuring tricks and big illusions, all mixed with music and theatre.

This show is a journey through the great classics of magic, from Houdini to the Great Carter, capable of connecting with children and making them and adults alike believe in the power of dreams.

Lucas Di Giacomo is the founder of the Ibiza Magic Club, Spain's most exclusive private magic club, where he has managed to recover the essence of authentic magic for an exclusive audience of celebrities and influential people on the island, including the actors Johnny Depp and Leonardo DiCaprio.
