

Welcome to Madrid

Forming part of the International Performing Arts Festival, Espacio Ibercaja Delicias will host the performance of an acrobatic theatre show inspired by the novel of the same name by Daniele Finzi Pasca, from Thursday to Sunday from 20 to 30 April.

This show has been designed by the creator of the acclaimed *Luzia* show by Cirque Du Soleil. *Nuda* is an acrobatic and theatre show with an innovative flight system and interactive lights that are used with the narrative in a magical harmony between theatre and aerial dance. ?

It is a production full of mystery and astonishment in which profundity and the chasm interact with a luminous world made up of plans that are imposed on each other and interact. On stage, five extraordinary artists interpret the tale of twin sisters who grew up together in an eccentric family. It is a relationship with its ups and downs but always ends in an embrace full of joy and rediscovered freedom.
