

Welcome to Madrid

APIT Madrid is a collective that represents and gathers the professional tourist guides of the Madrid province, making sure that they offer the highest quality knowledge and services.

The visits and excursions are tailor-made and adapted to each and every need, interest and group size. The guided visits with qualified tourist guides are adapted to all types of clients. All the services and visits offered by APIT Madrid are available in main languages of the international tourism, and for less common languages the APIT Madrid guides work with the help of the clients' accompanying tour guide or a specialized interpreter.

Their services include different tours of Madrid, visits to museums and the surroundings of the Madrid province.
