

Welcome to Madrid

Open only in summer

This is Europe's biggest water park, with 14 attractions and a large green area where visitors can relax or sunbathe, as well as a long, sandy beach inspired by the landscapes of Hawaii.

Its attractions are divided depending on their wow factor and adrenaline rush. Therefore, there are those for Big Thrills (slides with hair-raising inclinations), Moderate Excitement, perfect to enjoy with all the family, and for Children, especially designed for the little ones.

In 2022, to mark its 35th anniversary, Aquopolis has opened a **huge children's area** with six new attractions that will delight families. Taking the top attractions for adults as a reference, the water park has recreated them on a smaller dimension, so that children can find especially adapted mini versions of the emblematic **Waikiki, Zigzag, Soft Slides, Turbolance and Rapids**. As a new offer, this area also boasts an island called **Tiki Island**, with many water jets for the enjoyment of all the family.

For teenagers, **Kangaroo** has also been opened, an attraction made up of six slides to go down on a mat from a height of ten metres.

Malibu Beach

Next to the wave pools is a large (2000 m²) white sandy beach called Malibu Beach, decorated to recall the landscapes of Hawaii. Guests can book Balinese beds to enjoy the sun, relax, and have a soft drink or snack at the kiosk.

VIP Experience

The Park also has three different VIP areas:

- - The **Premium VIP area**, located in a quiet part of the Park, alongside the wave pool, has 2 private and independent cabins equipped with a fan, TV, a small fridge, a Speedy Pass bracelet, and the possibility of including the All Inclusive bracelet by paying a supplement. Maximum 6 people.

- - **All inclusive VIP area**, located alongside the Kaiki Island Children's area, has 13 modern private and independent cabins, with 2 comfortable sun loungers, 1 sofa, 1 table, 4 chairs, hairdressing service, safe, lockable locker and an All Inclusive bracelet. Maximum 6 people.
- - **Classic VIP area**, located alongside Kangaroo and the wave pool, it has 16 private rooms and includes a cabin with 2 comfortable loungers, 1 sofa, 1 table, 2 armchairs and hairdressing service, safe, as well as a lockable locker. Maximum 6 people.

Apart from the VIP area, the Park also has **8 Balinese Beds** of 1.50m, equipped with curtains for more intimacy, with capacity for 2 people, located alongside the wave pool. It also has a small safe and a lockable locker. The Balinese Beds do not include the services of the VIP Area.
