

Welcome to Madrid

Quality leisure and businesses in the new PAU of Carabanchel with an innovative design that seduces with its open and natural spaces full of light and color. Islazul aims to be an urban island, with natural light, full of interior gardens and warm corners.

Water and nature come together in this shopping centre, which boasts three floors above ground and two underground levels with parking for 4,100 vehicles.

At Islazul you'll find some of the top brands in fashion, homeware, technology and restaurants, as well as various cultural and entertainment options and services for all ages.
