

# Welcome to Madrid

**This Madrid cake shop, which opened in 1960, is a real specialist in homemade traditional Christmas cakes, such as marzipans, *mantecados* or *turrones* (nougat), and above all, *roscones de reyes*, with a large range of sizes and prices.**

Their San Marcos cake is also noteworthy, made with pine-nuts, Cointreau and cream, and the champagne fizz cake, besides all those typical cakes like *huesos de santo* (eaten around All Saint's Day) or *rosquillas de San Isidro*.
