

Welcome to Madrid

This cultural space, located within Matadero Madrid, is managed by Madrid's Association of Visual Artists, a collective that presents their artistic projects in a setting that is open to participation and to the creation of new networks.

The AVAM window is a light box as a showcase for the work of partners, which can display small format interventions. The type of intervention can be photography, sculpture, installation, collage, etc. Each project is on display for one month, during the centre's usual opening times. The AVAM window is located in the entrance to the AVAM Extension.
