

Welcome to Madrid

This park is the second largest green space in Carabanchel, after Emperatriz María de Austria Park. Throughout the year it plays host to myriad sports events, but in mid-May it becomes the main stage for the San Isidro festivities which honour the city's patron saint, Saint Isidore.

In the park, you'll find a botanical pathway, several water features and a Palm Tree Garden, filled with different varieties of palm trees and perennial plants. Large grassy areas, dirt tracks and a bike lane make it a wonderful place to go for a stroll or a spot of exercise.
