

Welcome to Madrid

This cinema, inaugurated in 2010 in the place where the California cinema used to be and which receives its name in honor of the famous director Luis García Berlanga, forms part of the SGAE Foundation, which includes a spaces devoted to supporting artistic creation.

The Sala Berlanga has an extensive cultural programme that includes performing arts, cinema, music and exhibitions, among other artistic displays. Dedicated particularly to film, it hosts specialised cycles and festivals in which there is also a space for short films and documentaries.
