

Welcome to Madrid

Just a stone's throw from Plaza del Callao, in the heart of Gran Vía, we find this famous movie theatre, which as well as film showings, also hosts different types of events. The theatre part of the Capitol Gran Vía is managed by the Smedia Group.

The Capitol cinemas have three film exhibition halls: the Main Hall with 1,360 seats and Halls 2 and 3, each with 215 seats. The Main Hall and Hall 2 alternate film screenings and theatre performances.

These spaces can also be hired to celebrate all kinds of public and private events, ranging from pre-premières to corporate events, as well as presentations, press conferences or theatre performances.
