

Welcome to Madrid

The popular Barrio de las Letras district is home to this hotel, owned by the Axel chain, located in Calle Atocha. It offers stylish, comfortable, designer accommodation with a cosmopolitan vibe, aimed at the gay market but with a strongly heterofriendly and urban spirit.

Its 88 rooms are equipped and decorated in a cutting-edge, modern and fun style, inspired by the 'Movida Madrileña' cultural movement of the 1980s. It also has a gym, sauna, and a magnificent roof terrace where you can sit back, enjoy a drink, or take a dip in the pool as you gaze out over the Madrid skyline.

The gastronomic offer is provided by the restaurant Las chicas, los chicos y los maniqués, serving up bold dishes and drinks, made using good quality ingredients and presented in a seductive way.
