

# Welcome to Madrid

**This commercial centre is located in one of the city's main streets in the heart of Paseo de la Castellana. It occupies around 8,500 square metres and houses first rate fashion firms. Its technical quality has been certified as B+ by the Spanish Offices Association (AEO).**

Under the motto, Be Practical, its philosophy focuses on facilitating shopping and public services to the public from the surrounding area, mainly workers with limited time to spare.

It also has an office block and a fee-paying car park, with different rental options for workers or visitors to the area.
