

# Welcome to Madrid

**Situated in the district of Fuencarral – El Pardo, this golf course was created by Spain's Royal Golf Federation. The club is open to the public and it aims to promote the practice and learning of this sport.**

The centre has 18 competition holes, a pitch & putt with 6 holes and a golf school for all levels and ages. As additional services, it offers golf fittings, physiotherapy, a playroom, shop, buggies and a restaurant, Caná Golf, run by the Caná Group, which has a terrace on the edge of the golf course and a cafeteria, as well as three cosy lounges to savour a menu of the day or dine à la carte, or hold private events for business or with family and friends.

It has a pioneering irrigation system in Spain, maximising the use of water to maintain the course and making it more sustainable.
