

# Welcome to Madrid

**This cosmopolitan avant-garde hostel boasts an exceptional location, right in the heart of the city, where you can enjoy Madrid's best entertainment and gastronomy. Every last detail has been carefully crafted in this inviting designer space.**

Its modern rooms, which are all outward-facing, offer all mod cons, such as air conditioning, minibar, Wi-Fi, LED television and safe, among others, as well as wonderful views of the city. The luxury suites available are characterised by clean straight lines, offering stylish accommodation and bright and airy spaces.

The symbolism used to decorate each room is based on the representation of the 7 deadly sins, creating fun and original spaces.
