

Welcome to Madrid

Located in the Plaza de España, just a short distance from the Royal Palace, the Almudena Cathedral and the Temple of Debod, this five-star hotel is the flagship of the VP hotel chain, due to its exclusive and contemporary interior design. Its main attractions include the Ginkgo Sky Bar, on its 12th floor, from where incredible views over the city can be enjoyed.

The hotel has 214 spacious rooms, of 9 different types to adapt to all tastes, its own car park, wellbeing centre, outdoor swimming pool, gym, the Botania restaurant (from the Larrumba Group) and over 1,400 square metres in meeting rooms to organise all types of events, conferences and conventions.

The spaces have been decorated with a marked artistic accent, with numerous paintings by prestigious artists adorning the walls.

The Ginkgo Sky Bar can be visited by anyone who wishes to do so, regardless of whether they are staying at the hotel or not. There, it is possible to have lunch or dinner or savour exquisite cocktails whilst contemplating the Madrid skyline any day of the year.
