

# Welcome to Madrid

**Created by the Santander Group and designed by Rees Jones, this spectacular 18-hole golf course was opened in 2005. It is considered to be one of the best courses in Europe.**

Its facilities include a shop, a cafeteria -restaurant, changing rooms, a multi-purpose hall, a Tailor-made Performance Lab (where professional and full guidance on the golf bag is provided to players), and the Jim Mc Lean golf school, considered to be the number one in the world by the specialised press.
