

Welcome to Madrid

Very close to the Paseo de Recoletos, in the Salesas neighbourhood, this cafeteria – restaurant is an advocate of the slow life movement, which seeks relaxation within the stress of everyday life. It is embodied in its simple yet cosy decoration, homemade food, soft music and, in general, the calm atmosphere it transmits.

The establishment has a large solid wood table alongside the entrance bar, as well as other round tables with wooden chairs.

The short menu consists of Mediterranean inspired dishes with fresh market produce, traditional recipes with a modern touch, lovingly prepared. It also serves breakfast, lunch and afternoon tea, with homemade sourdough bread, as well as other cakes. Everything it serves is homemade and prepared there and then.
