

Welcome to Madrid

On the top of Payaso Fofó park, located in the Palomeras Bajas neighborhood (Puente de Vallecas), you can find this observation deck where you can enjoy breathtaking views of the Madrid skyline. Its name reminds us of the legendary Fofó clown who was born in Vallecas.

It is a cement deck between Puert de Costabona Street and Puerto del Milagro Street, surrounded by buildings known as Torre de San José. Here you can enjoy the best views of the Madrid skyline.
