

# Welcome to Madrid

**Belonging to the Aloft Hotels division of the Marriot hotel chain, this 4 star hotel is located next to Plaza de Callao and Gran Via. Built in a former office block, the urban style of its architecture gives rise to a hotel with 139 rooms that recreate the dynamism and energy of loft living.**

The rooms are functional and take their inspiration from urban design. They are all equipped with free Wi-Fi access, multiple USB and connectivity ports, 65" TVs with Chromecast, various amenities and rain effect showers, among other features. In addition, they have SPG Keyless, the first system on the market that allows customers to open the door to their room with a Smartphone or Apple Watch.

The top floor has a Terrace and splash pool, where you can enjoy Madrid's skyline, and the Wxyz® Bar, where you can sample some signature cocktails.

The culinary offer comes to you courtesy of Re:Fuel by AloftSM, an innovative concept that brings together tasty, fresh and fast creations available for self-service 24 hours a day, every day of the week.

In addition, the hotel boasts a gym, Re:ChargeSM, which is open all day, and the Re:mixSM lounge, a spacious open-plan meeting place, which provides a work space during the day, and a venue for after work gatherings in the evening.
