

# Welcome to Madrid

**This large marquee occupying 5,000 metres and attached to the main building of IFEMA MADRID is a space created for entertainment, culture and the arts, where major international exhibitions on a variety of themes can be enjoyed. Special attention is paid to immersion and the new audiovisual technologies.**

Espacio 5.1, which has a separate entrance, offers all of the necessary services to host this type of events: cloakroom, cafeteria, a rest area, merchandising store and car-park.

The space has been run by the Spanish company, Sold Out, since 2018 and has already presented major exhibitions of the likes of Jurassic World: The Exhibition, The Pink Floyd Exhibition or Banksy: Genius or Vandal.
