

Welcome to Madrid

After a successful visit to Mercado de Motores, Latvian chef Monta Rozenburga and Eric Trusiewicz created this restaurant located in Chueca, where you can enjoy a menu consisting of high cuisine, quality and creative, totally vegan and inspired by traditional recipes, which can be tasted at breakfasts and lunches exclusively.

Bunny's Deli is a small and cozy place where it is taken care of to the last detail, with objects coming from artisan and independent creators. It has a bar, where you can eat, an exhibitor and a kitchen.

The menu consists of menus that vary constantly, including soups, salads, traditional stews and desserts. On Saturdays there is a full brunch.

In addition, they offer cooking classes, vegan and organic courses and caterings for any event.
