

# Welcome to Madrid

**Enrique Fang and Yanyung Ding are the married couple who run this vegan café, where you can enjoy full breakfasts and brunches, in addition to main dishes and desserts, which fuse Chinese, Thai and Spanish flavours.**

Located by the Plaza de Luna, very close to Gran Via, this small cosy café serves up coffee from the finest plantations, as well as cakes and pies. Its savoury offerings include potato omelette (made with chickpeas), sandwiches, fajitas, toast, creams and soups. In addition, the menu changes every week.
