

Welcome to Madrid

Hangar 48 was born in 2017 with a renewed proposal after more than 20 years of experience (formerly known as Vendetta). Located at Calle Bailén 24 and a short distance from La Latina, the venue has two floors, the ground floor or "Red Room", for clubbing sessions, and the interior or "Underground Club", which alternates concerts and clubbing.

Hangar 48 hosts a wide range of music, from jazz, soul, funk, disco, Hip Hop, R&B, reggae, ska, rock, folk, Latin or singer-songwriters, giving space to both new and established artists.

In the clubbing section, Hangar 48 has a wide range of electronic music, from disco house to the most avant-garde techno.

Hangar 48 has a mezzanine floor where the VIP Lounge is located.
