

Welcome to Madrid

This legendary establishment located in the Chamberí neighbourhood opened its doors in 1985. In 1990, it changed hands and has since been known as a bar where you can listen to the best Spanish pop-rock and indie music live.

Major figures on the Spanish music scene have performed at the bar, such as Antonio Vega, Loquillo, El Canto del Loco... Its walls are decorated with photos and memorabilia left by these artists.

Refurbished in 2019, the establishment has a bigger space to enjoy the live music, as Cien po Cien offers concerts every day.
