

# Welcome to Madrid

## SERVICE TEMPORARILY SUSPENDED

Located next to the Tropical Garden, Puerta de Atocha - Almudena Grandes train station's left luggage offices are the perfect place to store luggage if you still have time to visit Madrid before leaving the city. Given its central location, it is easy to visit the Reina Sofía Museum, the Retiro, the Botanical Garden, Caixaforum Madrid or the Prado Museum.

There are lockers of different sizes, depending on the baggage to be stored. The tariff per day or fraction of a day depends on the size of the locker: small lockers cost €3.10; medium lockers cost €3.60 and large lockers cost € 5.20.

Baggage must be passed through a security scanner prior to storage.
