

Welcome to Madrid

Located in IFEMA-Feria de Madrid, under a large white tent, this spectacular 7000 square metre enclosure began its journey in November 2018 with the performance of 33, The Musical. It is now an established multi-functional venue where exclusive events have been held by companies such as Samsung or media such as Telemadrid and Marca.

Espacio Raro is an exceptionally versatile space that can be fully adapted and customised, able to host all kinds of large-scale events and shows. It has two main areas: an Italian-style theatre that can hold more than 1000 people and a large stage, and a 450 m2 shopping area. All areas are interconnected and accessible for people with reduced mobility.

The Spanish producer 33PD is in charge of managing the venue and the programming on offer at this unique space.
